**INDEPENDENT ACCOUNTANTS' COMPILATION REPORT**

To the Board Members of  
Louisiana State Board of Examiners of Psychologists  
8706 Jefferson Highway, Suite B  
Baton Rouge, Louisiana 70809

We have compiled the accompanying financial statements of the business-type activities of the Louisiana State Board of Examiners of Psychologists, a component unit of the State of Louisiana, as of and for the year ended June 30, 2013, which collectively comprise the Board's basic financial statements as listed in the table of contents. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

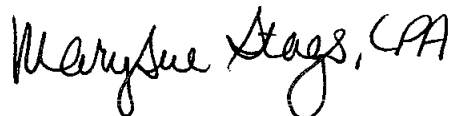

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist the management in presenting financial information in the form of financial statements without undertaking to provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Board's financial position, results of operation and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The accompanying supplemental schedules and information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. We have compiled this supplementary information from information that is the representation of management, without audit or review. Accordingly, we do not express an opinion or provide any assurance on the supplementary information.

In accordance with the *Louisiana Governmental Audit Guide* and the provisions of state law, we have issued a report, dated September 20, 2013, on the results of applying agreed-upon procedures.

**INDEPENDENT ACCOUNTANTS' REPORT**  
**ON APPLYING AGREED-UPON PROCEDURES**

To the Board Members of  
Louisiana State Board of Examiners of Psychologists  
8706 Jefferson Highway, Suite B  
Baton Rouge, Louisiana 70809

We have performed the procedures enumerated below as they are a required part of the engagement. We are required to perform each procedure and report the results, including any exceptions. Management is required to provide a corrective action plan that addresses all exceptions noted. For any procedures that do not apply, we have marked "not applicable".

Management of the Louisiana State Board of Examiners of Psychologists, a component unit of the State of Louisiana, is responsible for its financial records, establishing internal controls over financial reporting and compliance with applicable laws and regulations. These procedures were agreed to by management of the Louisiana State Board of Examiners of Psychologists and the Legislative Auditor, State of Louisiana, solely to assist the users in assessing certain controls and in evaluating management's assertions about the Louisiana State Board of Examiners of Psychologists' compliance with certain laws and regulations during the year ended June 30, 2013.

This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

**General**

1. Determine if there are adequate written policies and procedures for the primary financial and business functions of the entity.

*No exceptions noted.*

*No exceptions noted.*

#### **Cash**

1. Prepare a proof of cash for the period covered by the financial statements.

*This was accomplished for each bank account maintained by the Board.*

2. Determine if cash collection responsibilities are adequately segregated to ensure that the person responsible for cash collections is not responsible for posting accounts receivable or making deposits.

*No exceptions noted.*

3. Determine if bank reconciliations have been prepared for all months in the period covered by the financial statements. Determine if there is evidence of management review of the bank reconciliations. Determine if the reconciled balance for the final month of the fiscal or calendar year agrees to the general ledger.

3. determine if each expense report was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

*No exceptions noted.*

- i. if yes, determine if the entity complied with all requirements; and
- ii. if no, determine if the entity provided an open and competitive atmosphere for the transaction/work; and

3. determine if the contract was amended:

- i. if so, determine whether the original contract contemplated or provided for such an amendment; and
  - ii. determine if the amendment is outside of the scope of the original contract:

**2013.01 Compliance with Audit Law**

*Criteria.* Louisiana Revised Statute 24:513 requires that an annual financial report or other type report be submitted to the Legislative Auditor within two months of the close of the fiscal year for state agencies included in the CAFR.

*Condition.* This deadline was not met for the fiscal year ended June 30, 2013.

*Impact.* The Board is not in compliance with applicable laws.

*Recommendation.* We recommend that management be cognizant of this deadline in the future and make every effort to comply.

*Management's Response.* The Board was first contacted on 9/3/2013. Information was requested that needed to be obtained from the Board's contracted accountant. The information requested on 9/3/2013 was emailed to Ms. Stages on 9/16/2013. Ms. Stages contacted the Board office on 9/24/2013 and requested a number of items be emailed to her attention because the report was due. At that time, I (management) informed Ms. Stages that some office items were boxed due to the move on 9/30/2013. The majority of the items were emailed to Ms. Stages between 9/24-26/2013. Therefore, due to the limited time frame given with such a major event, there was an unintentional and unavoidable delay during the period of time that information was needed to complete the agreed-upon procedures engagement. Notification from our auditor came at a time that didn't allow sufficient planning on our part to gather the information.

This is an unusual occurrence. We have not had any issues in this regard in the past, and we do not anticipate that there will be a problem in the future.
